Coursework 2 – Python Groupwork

- The students who were not in a group by 12pm Friday 15th November have been assigned to a random group and were notified via email.

- The group member names were shared, it is your responsibility to message the group members through the message feature of My Learning -> Demo.

- If you have not heard from your group members by Thursday 21st November 23:59, email me or let me know in the lab ASAP and I will email the group members.

Coursework 2 – Python Groupwork

- IMPORTANT
- If you have any issues with group members:
  - No response to messages.
  - Not getting work done on time.
  - Lack of engagement.
  - Any other issue.

- Let me or Ali know ASAP – in person or via email.

Module Survey

- Please complete it today – 10 mins will be set aside now to do that.

- **Very important that you complete the survey!**
