Lecture Videos and Slides

- Week Twelve

VIDEO and SLIDES

- Lecture 22 Revision

Week 12

- Week Twelve is a catch up week and is mainly for completing Coursework Two.

- Meet with your groups, finalise the work, record the video demo, and delegate who will submit the work.

- Complete Coursework One if you are eligible to re-submit.

CW1 Results – Re-submission

- If you received 19 or less marks, you did not pass the coursework.
- Good News! You can re-submit!
- Check the feedback, complete the work and submit by 13th December 2024 – Week 12.

- Use the following link in the Coursework One folder on the course page - Available now:

  Re-Submission - Coursework One - SOB Portfolio - Hendon Campus Re-Submission Link

- **Eligible Students ONLY can submit here!!**
- **Marks will be available after 17th January (15 working days – possibly sooner).**
- **If you did not submit anything, you cannot re-submit…**

Coursework 2 – Python Groupwork

- IMPORTANT
- If you have any issues with group members:
  - No response to messages.
  - Not getting work done on time.
  - Lack of engagement.
  - Any other issue.

- Let me or Ali know ASAP – in person or via email.

Formative test results

- Quite a low amount of interaction in general – formative, so not very surprising.

- I hope participants found them useful.

- Average attendance in labs -> 47 from week 2 – 11
- Average number of participants in tests -> 34 (45 | 32 | 24)

Formative test one results

- 60.73 Average (45 students)

Formative test two results

- 61.56 Average (32 students)

Formative test three results

- 63.00 Average (24 students)

Coursework 2 – Python Groupwork

- IMPORTANT
- One member of the group should make the submission – the group should decide who makes the submission:
  - Make sure the work is completed on time.
  - Give the nominated group member enough time to collate everything and submit.

- DEADLINE
- Friday 13th December 18:00 (2 hour window -> 20:00)

Coursework 2 – Python Groupwork

- IMPORTANT
- Work received after 20:00 will incur a 10% penalty on the final mark – ALL MEMBERS of the group will incur the penalty, not just the member who submitted the work.

- There is NO RE-SUBMISSION allowed for Coursework 2.

- Marks will be entered into the contribution spreadsheet and emailed to you individually after 17th January (15 working days - possibly earlier).

Coursework 2 – Python Groupwork
